Dear Parents and Carers

100 Books Project

We have recently spent some time setting up our '100 books' for Years 5 & 6. These are recommended reads and not to be seen as a reading challenge. Included are a range of great texts: classic novels, books by famous authors, current authors, award winners and many books which are the first in a series.

The response so far from the children has been really pleasing. The quality discussion and general interest in reading is apparent - there is a real buzz about the new worlds and characters being discovered.

Due to the success in Years 5 & 6, we are now setting up further '100 books' for Years 1 & 2 and Years 3 & 4.

Best Class Attendance

The class with the best attendance this week was Year 3 again with 97.9% Well Done! On Monday during assembly, they will 'throw the dice' and see which 'treat' they land on our Monopoly Board. Last week, Year 3 had the best attendance and won an extra playtime. Our target as a school is 96% and at the moment our attendance rate is 93.8%

Year 4 visit Newcastle Cathedral

This week, Year 4 went to the Cathedral to take part in a special Christingle Service with other children from Church Schools across Newcastle and Northumberland.

The children thoroughly enjoyed the experience and were very well behaved.

What to do if your child is off school.

It is very important that you ring school (2006345) or e mail us

christchurch.primary@northtyneside.gov.uk

if your child is ill and not able to come into school. If your child is not in school for registration we will ring and text you first thing.

If we have not heard from you by 10.30am we will consider making a phone call to other agencies including Children's social care.

We need to do this for safeguarding reasons. In connection with this, it is very important that we have at least 2 emergency contact phone numbers (preferably 3)

Please also ensure that the contact phone numbers we have for your child are kept up to date with the school office.
